

# THANKS MOM & DAD FUND®

*Honoring parents, grandparents, and mentors by  
supporting programs and services for older adults.*

The Thanks Mom & Dad Fund® honors parents, grandparents, and mentors for the inspiration they have been in our lives. It was created to improve the quality of life for older adults and to recognize the value of those who came before us by supporting programs and services for older adults. Grants are made to increase the capacity of aging programs to serve seniors in local communities and to encourage the development of innovative programs.

America is rapidly graying. There will be approximately 70 million older adults by 2030, more than twice the number in 1990. With a baby boomer turning 60 every eight seconds, aging programs and services are vitally important to many more people each day.

You may be familiar with the types of aging programs already in place such as those at local senior centers, adult day care centers, Meals-On-Wheels programs, and information and referral services that improve the quality of life, particularly for the homebound elderly. At the same time, new programs are emerging to promote wellness activities and to increase independence and healthy lifestyles. Your contribution helps support such programs and reduce the vulnerability of an aging population.

Please make your **tax-deductible** contribution today and honor someone special. If you need more information, you can call 404.463.3222 or 1.800.676.2433.

*Please make your contribution today and honor  
someone special.*

*The Fund makes it possible for you to acknowledge special people on important occasions.  
Make a contribution in their honor and a certificate will be sent to them in your name.*

*Memorial gifts can also be made to remember your loved ones or send condolences to bereaved families.*
