

YVETTE CANTRELL

Yvette Cantrell is President and Community Liaison for Bridgebuilders, Inc. She brings over 40 years of experience in organizational development, human resources recruiting, training and development to the business.

For the past 20 years, she has formed and molded a process that produces an entrance to ancillary healthcare through the procurement of community members -neighbors, family and friends of those who need help. Ms. Cantrell has accomplished unique results in the areas of retention and development with a simple method of growing and maintaining a strong workforce that continues to grow with the demand of the community.

Aside from obtaining a B.S. in Business, Ms. Cantrell has done further study in Leadership/Group Dynamics; received a professional certificate in Gerontology from Clayton State University and holds continuing education certificates in Memory Impairment and Brain Disorders.

Maintaining the quality of life for homebound individuals has become a passion for Ms. Cantrell as she has experienced caring for aging parents and in-laws over a 20-year span. She believes maintaining a familiar lifestyle despite one's age or health condition should be an individual choice.
