

SENIOR CENTER INNOVATIONS

MODERNIZATION

PROJECT SUMMARY

Equipment and other modernization purchases are long-term investments to help senior centers improve services. Three compartment sinks, washable tableware and other items have been purchased to enhance the experience of senior center members.

Senior Center Innovation Grants were supported by:

Department of Human Services
Division of Aging Services

HIGHLIGHTS

- Equipment purchases help centers operate more efficiently
- New software and equipment help free up time for center staff to work more on programs
- Purchasing reusable tableware is not only sustainable but helps improve the experience for seniors

PARTNERS

- Restaurants

CHALLENGES

Purchasing the right equipment or finding the right software can be a challenge, talk to other senior centers who can help
